**ERRATA**

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: CORRECTION TO ALL COUNTY LETTER 99-33

REFERENCE: ALL COUNTY LETTER (ACL) 99-33, DATED APRIL 29, 1999,  
REGARDING REVISION OF THE CA 237 CalWORKs REPORT

The purpose of this errata is to correct the answer to question # 7 in the Questions and Answers document regarding aid codes attached to the above referenced ACL. The question #7 and answer are as follows:

**7. What aid codes should be included in PARTS B, C, D, and E?**

A. All CalWORKs federally-funded aid codes, except the diversion codes, should be included in PARTS B and C. These federally funded aid codes are 30, 35, 3P, and 3R.

CalWORKs state-only cash assistance aid codes are 32, 33, 3G, and 3H. Also, state-only aid codes, 3L (FG) and 3M (U), have been established for the legal immigrant who is not federally eligible under TANF. These state-only codes are reported in PARTS B, C, D, and E.

Mixed cases that have at least one federally eligible legal immigrant and one non-federally eligible immigrant, are coded 3E (FG) and 3U (U). Mixed cases are reported as federal cases and the expenditure is prorated between the state and federal funds. Therefore, mixed cases are reported in PART B. Expenditures are prorated by case and are reported in both PARTS C and E. The entire expenditure amount is reported in PART C and the state-only portion is reported in PART E.

Please refer to CFL 97/98-41, dated December 19, 1997, for verification of complete information on aid payments and codes.
